"OP'T ZAND" VEENENDAAL 14-9-45 .

Hiermee verklaar ik dat de heer Roderich Wolff reeds in 1940 geholpen heeft by de verspreiding van het illegale pamflet "Bijna te Laat". En ook later heeft hij steeds gelegenheid gevonden, zoo-veer dit in zijn bereik lag, terwille te zijn bij het verspreiden van illegale lectuur: adressen schrijven, postzegels plakken enz. enz.

De heer Wolff en zijn echtgenooten hebben beiden in deze oorlogsjaren getoond anti-fascistisch te zijn en steeds een goede houding tegenover Nederland bewezen.

In ieder opzicht kan ik den heer Wolff aanbevelen als lid van de "Vereeniging van Duitsche en staten-looze anti- fascistten in Nederland".

“Op’t Zand” Veenendaal. September 14, 1945.

Hereby I do declare that Mr. Roderich Wolff already in 1940 aided in the distribution of the illegal pamphlet “Almost too late”. En later he also repeatedly sought the opportunity, as far as this was in his reach, to assist in the distribution of illegal material: writing addresses, pasting postage, etc. etc.

Mr. Wolff and his spouse have demonstrated to be anti-fascistic during these war years and continually to have proven a good and proper attitude towards the Netherlands.

In all respects I can recommend Mr. Wolff as member of the “Society of German and Stateless Anti-Fascists in the Netherlands.”
